Thanks, Jim. Not surprisingly (given the very short notice afforded by the court) you're not the only witness who has a conflict tomorrow. I have made the court aware and am waiting to hear back from them. I really don't want to interfere with your plans and think it is unlikely we will, but thank you for being willing to come in on Friday. I will let you know ASAP when I hear from the court. If I hear from them after 3:00, would you like me to call your cell phone?

If this case goes to trial, we will need all three samples. Thank you!!!
